Company Overview

Premier Agencies Of Tanzania Limited is registered by Business Registrations and Licensing Agency (BRELA) in Tanzania and is incorporated under the Companies Act 2002, licensed to conduct business in Tanzania.

Why Choose Us

Deep Industry Experience

With years of experience in fuel depot and retail service stations, we understand the unique challenges of the industry. Our solutions are tailored to deliver exceptional results, ensuring your business stays ahead of the competition.

Customization & Flexibility

Every business is unique, and so are our solutions. We work closely with you to develop systems that align perfectly with your operational needs and goals.

Enhanced Safety & Compliance

We are committed to providing innovative solutions that will help create a better tomorrow for everyone.

Our Services

Petroleum Equipment Supply

Get the perfect fuel equipment products for your needs. Choose from trusted brands like Dover, SPX, Graco, OPW and GSI and more.

Fuel Tanks & Pipeline Installations

We install underground and above-ground tanks and fuel systems for retail, commercial and industrial applications as per client's project requirements.

Network Maintenance Optimization

Our after-sale includes undertaking significant role in regular maintenance of fuel systems to ensure the continuous movement of petroleum products.

Automation

Our company specializes in state-of-the-art automation solutions for fuel depots and retail fuel stations. With a focus on efficiency, accuracy, and safety, we deliver comprehensive systems that revolutionize fuel management and operations.

Our Commitment:

Vision

Leading in Support of Oil marketing, importation, distribution, wide range of Petroleum and Engineering Equipment solutions

Culture and Values

Performance Minded
Stand Together
Pioneer Spirit
Respect for Each other
Safety

Mission

Supply, Service and Installation of quality Petroleum Equipment and Engineering Solutions

Strength

Medium sized, Dedicated in-house Team
Teaming with outside consultants
Evaluation of work process
Training, Comply to standards,
Listening to needs and concerns,
Provide support equipment and material, All are empowered to report on safety

Objective

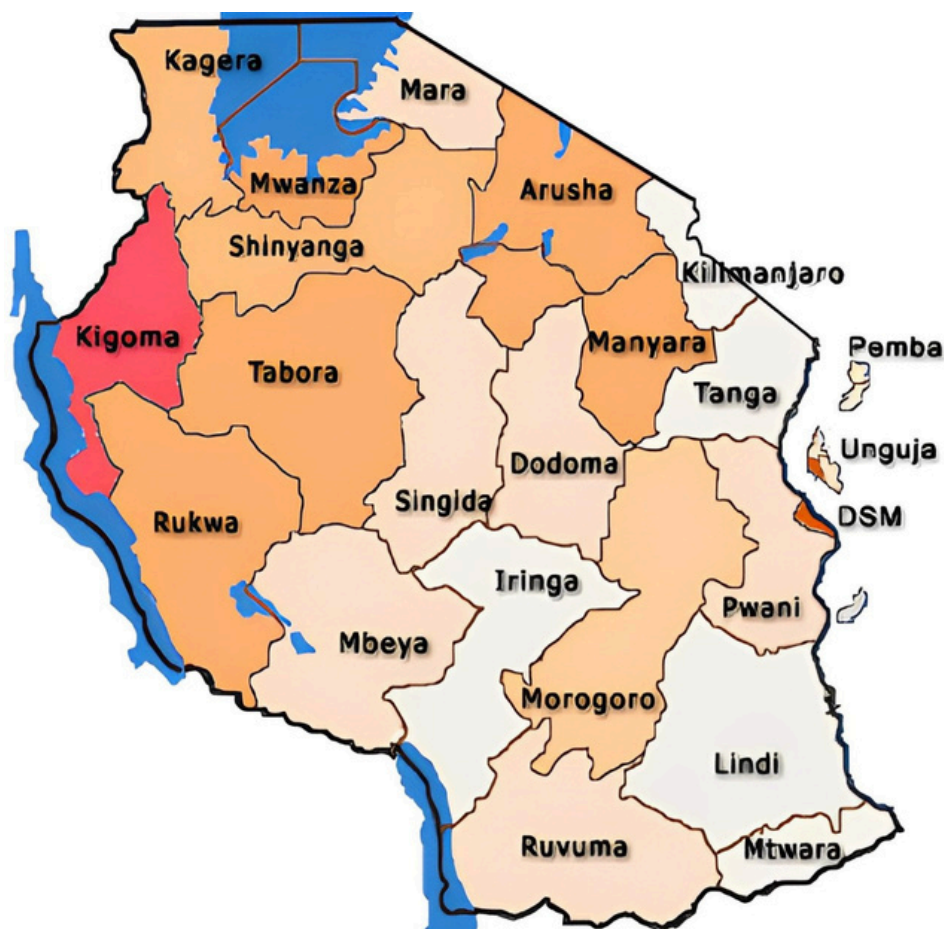

Total Solution with Reliable Petroleum Equipment and Services in Petroleum Industry

We Operate Across Several Regions

Premier Agencies T LTD, takes pride in its extensive reach, providing high-quality services and solutions to clients across multiple regions in Tanzania mainland. Our diverse geographical presence allows us to deliver industry-leading expertise and tailored support wherever our clients need us.

Top Management
